QR Code Link to This Post Looking to hire and experienced Dog bather that is reliable and knows what there doing. This is part time until business gets busy. Most likely to start 2 days a week and build up from there. Must know how to fluff dry, deshed a dog, cut nails, do glands and pluck ears ect. Pay is minimum wage and can earn bonus by getting new clientele. If your good at talking with people or have connections to the pet industry you could earn good money and more work for yourself. Will discuss more must have references (professional) and good work history. Must be able to lift as
