QR Code Link to This Post I am an amateur photographer looking to hire a female model for a private shoot i am working on. I am looking to do an artistic nude shoot. That will be part of my private portfolio. Shoots usually last about 2-3 hours and will take place in my studio located in olympic hills seattle, just north of northgate mall. All work done will not be seen by anyone or published. A contract will be signed beforehand for both your saftey and mine. Compensation will be 250/Hr. If interested please message me so we can try and get a meeting set up. All models must be 18 or above. No requirements really, just preferably not too.
