Signed/Numbered print 396/500

America's First Theatre

On February 12, 1736 the Dock Street Theatre opened with a performance of The Recruiting Officer. Built on the corner of Church Street and Dock Street (now known as Queen Street), the Historic Dock Street Theatre was the first building in America built exclusively to be used for theatrical performances. Flora, the first opera performance in America, took place at the Historic Dock Street Theatre.

The print alone retails for \$95.00
Brilliant use of pastels and double matted in navy blue/coral colors
Decorative gold frame
Measures 19-1/2h x 25-1/2"w
New backing/hanger
(My apologies for the quality of pictures; using phone)

A STEAL at \$65.00 (reasonable offers considered)
(cross)
