QR Code Link to This Post 1989 Mercedes Benz 560SL, hardtop convertible, grey metal flake, dark blue interior and hardtop. Bought this car at an estate, no way to verify but told by a mechanic that it has a new engine. Car is in beautiful condition inside and out. Car performs well, lots of power, shifts strong, brakes work well, excellent Michelin tires, 223000 miles, leather seats look new. Forbes Magazine wrote that the 1989 560SL is going to be highly collectible if not already. Possible trade. Call Mike
