My name is "Big Boy" Capone. Let me tell you a few things about me... I "was" for starters being taking care of well, until one day was left for my old self to fend...while i was confused as to what exactly happened but i sure glad there was humans around that found me and took very too care from this point on.

My foster mom thinks I am around 5-8 years old according to the looks of my teeth. I must say aside from that i still have energy like a pup. I know a few commands like sit, stay, lay, paw ect... Im also crate trained and love going out on walks. I somewhat do okay on a leash...just make sure u hold me tight when a cat strolls by lol i might chase after it. I LOVE playing ball with my foster mom...i even bring the ball back to u only if u dont beg for it.

I LOVE people...im a big love bug when people give me attention. Umm...but im too grumpy to have another dog around as i had my fair share with them in my younger years. So i prefer to be the only one spoiled. I am great for someone who is fairly active and is mostly home with me playing ball inside or outside.

Please consider me to be part of the family as i will make every moment smile forever on. Thank you for taking the time to hear my ol' story about me. Hope to see everybody soon.

Sincerely yours,

"Big Boy" Capone
