QR Code Link to This Post Hey my name is Hydra and i want to tell u my little story about me...as far as i remeber i was walking around very lost and in pain..i saw my foster mom walking some dogs so i cried my way to her and she saved me...i was a real mess and it seems either i was lost for a long time or my previous owner didnt take good care of me...luckily my foster mom got me right on track...i love to play with other dogs. Im extremely friendly and playful with people. Nobody taught me anything, but my foster showed me how to sit and stay. She even taught me how to walk on a leash. I would be good with kids, just not too young as i get a little mouthy when played. So i prefer teenagers and over as far as age groups. If you would like to get to know me more please email my foster mom and she will answer all your questions.
