CALL MICHAEL
www.DFWbuildremodel.com

Plan A Tradition Contracting Profit & Over head cost top of all hard cost.
Plan B Project Management that saves 10%-30% on New Homes & Commercial projects.

Most New Home Builds average cost \$80-\$100.00 per SF and up
Most Room additions average cost \$70-\$150.00 per SF
Most Home remodels A-Z start at \$5.00 per SF

SEE WEBSITE FOR MORE COST

Or Plan B

Plan B Build NEW HOMES average \$5-\$9.00 per SF plus build cost.

I have included building and remodel cost for many types of projects for residential and commercial due to my many years Building and Remodeling in the DFW area.

We provide many services including Custom Home Building, Additions, Commercial work, Tenant Improvements, Remodeling, Insurance's claims, Management consulting, and more. We plan to complete the project quickly and efficiently in order to get your Home Back to Normal / Project Building quickly. We are the Choice for women with day centers in the DFW area / Commercial work.

We were named "Best Contractors for the DFW Area" by "Gulf States" Dallas, Texas's broadcast station. The Internet is little more than a mistake by every body. It can be seen by the entire world on the Internet. As a result of such a high profile project, Michael was interviewed on "House Talk" and answered home improvement calls live on the radio on "The Johanna Hulse Show". The project was featured in the July 2000 issue of "Remodeling Magazine" as well.

Building a Home Room Addition Remodelings a significant event, and one that is all about family and the wonderful memories that will be made there.

We are a Professional Company with 25 years of proven experience. We are dedicated to our foundation of "Commitment to Excellence".
