QR Code Link to This Post I am looking for a few people to move my stuff from Pawtucket to Providence next week. It would be good if you could provide a moving truck or van but if not, I can rent one. It isn't a ton of stuff. Pretty much just 1 bedroom with minimal furniture and about 15 totes in the basement. I should have everything boxed and ready to go. The bedroom stuff is going to a 3rd floor and the totes will go back into the basement. It should only take a few hours. Message me with your price quote. I will pay at the end of the day and will probably ask for a copy or photo of your IDs for security. References would be great too although I dont want to make a big deal out of it. Just trying to be safe.
