QR Code Link to This Post I am a Fashion Accessories designer and I do local craft shows. I am looking for Sales & Support help at my shop in the Boston Winter Market located at City Hall.

Sales experience will be an added advantage, but not necessary. You should be able to communicate effectively and help me with sales, customer engagement, promotions etc,

This is a great opportunity for extra income in holiday season. You may be a student,retired professional, house wife or employed , but if you gave a passion for sales, you are good in talking to people, and are available on weekdays/weekends you are encouraged to.
