QR Code Link to This Post We are seeking local SAHM partners to help us with our female-founded startup! Make up to $600/month, with minimal time commitment. Super new-mom friendly gig.

There are no up front costs... this is not one of those things where you have to buy your own inventory and hope to sell it. You can rent out your extra gently-loved baby gear that's sitting around! (Cribs, strollers, bouncy seats, etc)

We will handle all of the sales & marketing, but we need your help to store stuff and deliver/pickup locally to other moms.

We'd be so excited to have you join!!!
