QR Code Link to This Post *Voters should choose their politicians; politicians should not choose their voters*

-Are you committed to bringing people of all political persuasions to work together towards increasing accountability in government, decreasing polarization and combating the negative impact of gerrymandering in Utah politics?
-If yes, this is the gig for you!

Job Descriptions:

- Physically collect signatures from supportive Utah voters;
- Receive training from political field operatives --including practical, hands-on experience with cutting-edge data and tech tools;
- Flexible schedule.

Job Requirements:

- No previous experience necessary;
- Able bodied and capable of standing and walking for several hours at a time;
- Own a smartphone;
- Own or have consistent access to a working, legally registered vehicle;
- Speak fluent English;
- 18 years or older;
- Utah resident

-Tech savvy and willing to master new tech tools;

-Interested in politics and in social organizing

-Outgoing and willing to proactively engage with voters in the field

-Self-motivated and hard-working
