QR Code Link to This Post Thinking I fit what you are looking for, I have 12 years of broad-spectrum copy editing experience, including 7 years FT at Health Net, Inc. This together with 12 years in the set-up, proofing, and creation of public documents for an International N.P.O. Health Organization including book proofing and legal documents.

While present day client projects include AMA, Toyota, and CDMG, etc., meeting with swift deadlines, I make myself available to you now for remote PT assignment at a rate of \$45/hour.

Am adept at learning new software and tools as required for any assignment in editing, copy editing, proofing, data analytics, etc.

Very organized, proven as meticulous and trustworthy, articulate and detail-oriented, a summary of client and colleague appraisals is available on request. Otherwise please read my resume for detailed breakdown of skills and experience.

You can reach me in office and out-of-hours at the number below.

In Regards,

Teo
