QR Code Link to This Post I am moving to the Providence/Pawtucket area of Rhode Island in the middle of January. I am looking for one roommate to share a nice, clean apartment with. I have 2 cats, one who is extremely shy and timid and would stay in my room. The other is very outgoing and active and is such a sweetie.

My ideal roommate would obviously love cats and would be employed and pay the rent on time. I am not looking for a partier but would love someone fun who I can go out with every once in a while. I am past the age of drinking every night but I still like socializing. I also like to be by myself as well and not feel like I have to talk if I'm tired.

I am currently looking for 2 bedroom apartments in the \$1300-\$1800 range

Let me know if you're interested and we can talk
