QR Code Link to This Post Hi! My name is Sara. I live in Puyallup with my daughters. I am a 28 year old stay at home mom/nanny. i decided to start nannying as a way to help others save on outrageous childcare costs AND find playmates for my girls. I have a 3 year old and a 1 year old. I currently nanny a 2 year old boy, a 1 year old girl, a 3 year old boy, and a 6 month old, and am looking to take on one or two more full OR part time kids! If you have a child under school age, as i cannot provide transportation to and from schools, and are in need, give me a shout! We play in the splash pool out back (summer time), we read, do crafts, dance, build things, watch the occasional Disney movie, and we have a lot of fun. I include meals in my price; breakfast, lunch and snacks.. Unless your child has an allergy or needs to be on a specific diet, you will provide those things yourself. I start at 530 and my last one leaves around 6.

I charge \$35 per day (which is \$700 per month for full time).

Come check us out! We'd love to meet!
