We are a family home daycare in the Bellevue area. We are ready and excited to meet you and your kids. In our daycare, children are all welcome and encouraged to be creative with arts, crafts, and lots of games. My objective is to provide quality, safe, loving care to your child while you are away. I provide a CLEAN, well organized and FUN learning environment for your child to grow socially and emotionally. Lots of hands on and learning activities with variety of arts and crafts. Not only do we provide many arts and crafts but we also do provide and get your children ready for preschool/kindergarten.
