QR Code Link to This Post I will be on one of the final flights of the night arriving to TF Green at 1:30 AM on the early morning of Sunday, 12/24. I am going to East Side, PVD.

I have oversized baggage that requires a minivan, large SUV with fold-flat seats, or truck.

Airport Taxi Co is a monopoly and will charge me \$45 for this route in a minivan. The usual commercial rideshares are unreliable at this hour.If any night owl is willing to run the 15-minute route to my house from the airport, I will pay \$30 with a tip for good service/communication.

Please email if.
