QR Code Link to This Post I 've got 4 used 40 gallon breeder tanks that are drilled. Each has a 3/4" bulkhead on the bottom. \$35 each OBO. If you take all 4, you can have them for \$100!

2 of these are currently set up with a 3rd (not drilled, newer tank) with pvc pipes and a pump. If you're interested in the pipes, pump, and non drilled tank as well, those are also up for grabs!

Also have a 55g tank, 10g tanks, and 5g tanks available, some with glass tops. Let me know what you!
