QR Code Link to This Post Skylar Is a Beautiful 5 year old female black lab and German Shepard mix. She is potty trained but recently started peeing in the house, I believe this is due to her not having a decent size backyard to run around and roam in. She is UTD on all her shots. Loves to go on walks and cuddle in bed. Great with kids and most dogs! She is all around the perfect addition to any family that can give her all the love and time that she deserves. We are asking for a \$25 rehoming.
