QR Code Link to This Post we only have two puppies left that have not had deposits put down for them. Price for the dogs is 250\$. Deposit is 100\$. The father is a 120 pound cane corso and the mother is a 50 pound pit bull. She is almost a year old and still growing. Parents are on site. Puppies will be ready the second week in January around the 14th. They are four weeks old now and are starting to eat wet puppy food. These puppies have large heads and should turn out to be large dogs. We have been very picky with our screening process. Please call so we can have a conversation because I don't want to deal with endless text. We have had a huge amount of interest in these dogs but due to people canceling at the last minute we have some still available. Please call Mike . We are in aiken sc and would be happy to schedule appointments to view the puppies please no calls after 8pm mon- fri. Thanks

Only one female and one male left.
