QR Code Link to This Post Unique, 1800 square foot condominium (largest in Crestview) with unparalleled views of the surrounding mountains.

Built in 2002 just prior to the Winter Olympics, this like new unit has 2 bedrooms and 2.5 baths, with an over-sized sleeping loft. We have made many improvements including new luxurious carpeting, HDTV, DVD, & wireless internet. All bathrooms are stocked with new Egyptian cotton towels and all the beds have new luxurious linens.

The condo is on the third floor of an elevator building, so you will not be bothered by noise from upstairs neighbors! It has a large, open kitchen with all the amenities of a home away from home including new pots and pans. Plenty of room for your entire family as the dining room table seats 8 and the bar seats 4. There is also a washer and dryer in the unit so you can pack light and leave room in your suitcase for purchases from the Tanger outlets right next door!

Park City is the perfect place to visit in the winter or summer.
