QR Code Link to This Post Selling our 2006 BMW 330i automatic. Clean title and none smoker. It only has 82k miles and is in excellent condition both inside and out. All scheduled maintenance has been performed routinely with no issues. This has the sport package. Oil has been changed every 5k miles. Very sad to see it go but we need a bigger car for my family.

Full leather interior, color is tan. The leather is in excellent condition, no cracks or scratches. The motor runs strong. Exterior paint is in very good condition. Brakes and tires are still new.

The wheels are the bigger premium 18" and are powder coated matte black (not plasti-dipped) with hardly no curb-rash. Adaptive headlights are great and the lenses are in great condition. There are 4 exterior puddle lights, 1 under each door handle that come on at night when you unlock the car, very nice feature.
