QR Code Link to This Post I have an extra room in a sunny, completely remodeled, centrally located 2-BR, 1-BA, tastefully furnished apartment in Bay View. It's a beautiful apartment in a great location. Tons of amenities and entertainment options are just steps away.

Bamboo and tile floors. 10' ceilings with Cream City brick walls. Central air, dimmable lights, newer appliances, and in-unit washer/dryer. Bedroom has 10' ceilings, bamboo floors, and a big closet.

I am a professional male, who often works from home during the day. I drink socially, but am not a big partier. I cook regularly, and occasionally have friends over. I'm laid back, tidy, and generally pretty quiet. There's a cocktail lounge on the 1st floor.

Applicants must be mature, responsible, neat and timely with rent payments. Proof of employment and income required. Immediate occupancy, with security deposit and pro rata share of rent as of move in date. You will also be responsible for 1/2 of the utilities.

Apartment is conveniently located on Green Line and #15, one minute to freeway, lake, and entertainment. Minutes to downtown/3rd and 5th.
