QR Code Link to This Post Hi, I have a massive amount of dental work that needs to be done and unfortunately I can not afford to pay that with my rent and other bills in my way. Thus, I am here looking for a roommate for short term, if it works out we can make it long term.

I am 33, in good shape, willing to jog or work out together if you do that.

I have a one bedroom apartment, but can turn my living room into a bedroom for you. I live close to Southridge mall and all major and minor amenities. Rent would be 292 a month, but I can.
