It is very light at only 6 lbs, 12 oz with period correct appointments.

The guitar has been in a collection and is in the same condition as the day it arrived from the Custom Shop.

The neck is an accurate recreation of the original '51 Nocaster but, with a highly figured flame maple neck.

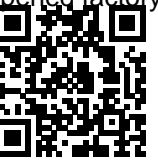

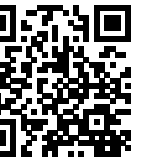

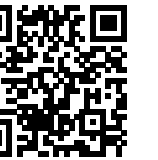

The Custom Shop '51 Nocaster pickups are strong, clean, articulate and we'll balanced. They sound sublime.

The subtle relic job adds tons of Mojo to the guitar. It feels like a familiar old friend from the minute you pick it up.

The original custom shop order form includes the following specs:

- Lightweight ash body
- Honey blond color
- Light relic
- '51 Nocaster shaped neck with flame like "Tony the Tiger's Tail"
- Upgraded custom shop red poodle center-pocket vintage tweed case in lieu of the standard offset pocket case.

The COA, keys and case candy still in it's unopened factory sealed bag are included in the case along with the order form.
