QR Code Link to This Post Up for sale is my 1994 BMW R1100RS with 91k miles. This bike is turn-key, and it needs nothing but a new rider. This whole bike is in excellent condition, and all of the fairings are clean & complete. The miles may be higher than many other bikes, but you would not know it from the way this bike looks and performs. Includes BMW side cases and BMW top case.

Here are the details:

- Wilbur rear shock/spring with remote adjustment knob (these cost the previous owner \$1100, I have the receipts)
- Fox front shock/spring
- Staintune exhaust (sounds like stock; not a loud pipe at all)
- Connections for heated riding gear
- New battery
- Previous owner replaced clutch within the last 15k miles
- OEM equipment includes height-adjustable seat, adjustable handlebars, adjustable windshield, and heated grips
- Comes with a shop manual

Great bike for a BMW enthusiast, or just someone looking to get into sport touring. This bike will not disappoint!

The price is \$2,000. If interested, please call, text or email. I will need hold cash in hand for any test rides.!
