

# Field Inspector Needed Near (Casper, WY) (Casper, WY)

[hide this posting](#)

Location **Wyoming**  
<https://www.genclassifieds.com/x-795424-z>

QR Code Link to This Post We are in need of a field inspector in the Casper, WY area. This is a subcontracted position and is not full time employment. This job entails visiting locations by appointment or unannounced, taking digital photos of the location and/or equipment, speaking with contacts or borrowers and completing a one page basic inspection report. You need to be able to take digital photos and upload those using our secure website. No additional specific technical expertise is needed.

It is a contract position with each assignment pre-quoted prior to acceptance. Payment is made twice a month via check or direct deposit at your choosing. If interested or for more details reply to this ad. Reference available upon request.

We do have an immediate need for an inspection to be completed in the Sibley area. Please reply to this ad to receive further details on the job we have available!

**\*\*Please include a phone number so that we can give you a call to discuss.\*\***

Thank you!
