QR Code Link to This Post I have a main floor guest suite (bedroom and attached private bath) which normally rents for \$800 per month in my Inglewood home. I am offering this room at \$400 per month in exchange for assistance with pet care. I have both dogs and cats. I travel for work, typically Wednesday evening through Sunday morning and need someone to take care of feeding, collecting the mail and keeping up with light cleaning on those days. In exchange you have a large, newly renovated house on the State and Federal Historic Register to yourself while I travel, wonderful animals to spend time with and low rent. Full use of house, parking, large back yard with deck, laundry. This is a non-smoking, drug free home. Perfect opportunity for a pet loving individual who has none of their own and would like to live in a quiet home environment. No couples or overnight guests. First and last months rent due at move in, credit and background check, references and a written pet care agreement required. To further the conversation, please respond with your name, regular work schedule, interests and anything further you feel that I should know as it relates to your pet care.
