My wife and I will be moving abroad and, sadly, we will not be able to bring our two dogs with us (Itachi - left, dash - right). We would like Itachi and Dash to be adopted together to a good home that will love them and care for them as much as we do.

They are both playful dogs who love to be outside and they love people and kids. Itachi loves to cuddle at night and will trust fall into your arms. Dash is a lot more bashful, but loves to get a lot of attention.

Itachi is a two year old German Shepherd (purebred) and Dash is a 3 year old German Shepherd - Lab mix. We got Itachi when he was only a couple of months old and Dash around 2 years ago. They've been together ever since and have loved every day.

If you are serious about adopting our dogs we will want to schedule a time for you to come and meet them and then some play dates after that in their new home. Both dogs have been neutered as well.
