QR Code Link to This Post habe a wonderful dog she stays out of the kitchen she loves to play fetch and tug a war and she is kennel trained she is chipped and fixed shed be a great hunting dog she is very smart I don't think k a dog should have to be in a kennel as bad as this breaks my heart she would be better off with some that has land to run . Kids don't want to take time any more she don't turn a year old until March 25th still a pup very
