I have been a nanny for 12 years, with most of my experience in newborns and infants, but experience with all ages. I am a true career nanny with a genuine love for taking part in children's growth and development. I have a long resume of wonderful references and experience. I have taught toddler preschool at a private school as well. I have a Bachelor of Science in Public Health and Nutrition. I am continuing my education and have recently been accepted to nursing school.

My schedule in 2018, starting Jan 3 is as follows.

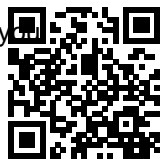

Mon 6:30a-4:00p
 Tues 6:30a-4:00p
 Wed 7:30a-2:15p
 Thurs 7:30a-2:15p
 Fri Sat Sun= free.

I'm open to working in the afternoons after school, working weekends, and night nannying, which I have extensive experience in. I'm not married, nor do I have children of my own so those are not considerations. I am very adaptable and catch on quickly to how parents like their children cared for. I like to think of myself as a loving extension of the parents and their parenting style.

I'm hoping to find a wonderful family to become a part of. Please feel free to email me and I will respond promptly.
