## About Acurian:

Acurian is a company that recruits people for medical research studies. We are currently working with pharmaceutical companies and individuals who are working on developing new research studies for your area. We are looking for people to participate in a clinical research study. Participants will receive an investment in a study product, which will be received in the form of a placebo, or drug, during the study. Participants receive study-related care from a doctor/research team for the duration of the study. Reasonable payments will be made for participation and the length of the study may.
