QR Code Link to This Post Rustic ranch with full basement. Lots of rough cedar, barn board and natural stone work inside and out. Large bedrooms, 3 of which have walk-in closets. Separate dining/sun room. Two wood burning stoves. Surrounded on all four sides by many diverse trees, most of which are mature. 30x50 outbuilding (which has a working sauna), 1.5 car detached insulated garage/shop with additional storage structure attached, barn, chicken coop w/fenced run. 2 separate fenced pastures, 1 of which is approx 2 acres and another approx 9 acres. Several frost-free hydrants around the property (including in pastures). 12x16 hoop house included. Fenced back yard has a sprinkler system and is a wonderful sanctuary in summer, with several dozen different species of birds visiting. Very quiet, private rural setting, yet very convenient location, within 15 minutes of King Soopers, Walmart, Menards and Murdochs, auto parts and.
