QR Code Link to This Post Heyy, so I have a dog that is superrr adorable, and cute!!! The owner that I got her from had to give her up (literally immediately) or else she was going to the pound. I took her with me of course, and now I need to find her a great new life/home ASAP. I'm looking for maybe a young newly wed couple, that's super adventurous, positive, willing to be patient, and teach the dog life/ how to behave, wealthyish, and has a fenced in yard. Lol also, I can see this do is dog is depressed when sitting all day, so I need to find the match to be energetic!! She seems to be not well trained on walking, although through our walks so far she is learning!! I mean she is a puppy. Lol She is potty trained that I can tell too. yep that pretty much sums it all. :) No rehoming fee necessary, just love peace &.
