QR Code Link to This Post Fun colored eggs hatching eggs from light blue, blue/ green, olive, light and dark brown and speckled brown and white. They are from a variety of hens including Easter Eggers, Cuckoo Marans, Red Sex Links, Leghorns and Black Australorps. Eggs are \$1.00 each or \$10.00 for a dozen. If you do not have an incubator, I can hatch them for you at a reasonable price. Eggs will be unwashed to protect the bloom unless you specifically ask me to wash them. I candle eggs prior to sale to make sure they are in good condition and don't have any tiny cracks or anything that would prevent a healthy hatch. Of course I cannot guarantee that you will have a good hatch rate but I will do what is necessary on my end to make sure that you have the best chance. I am in Apache Junction. If that is too far of a drive for you we may be able to arrange to meet halfway. Please text if interested. Thank you for.
