QR Code Link to This Post Hi, I am willing to take your unwanted roosters or old, non laying hens. Too noisy, too mean or not allowed in your area is fine here. I will be honest up front and tell you that I like to feed my dogs as natural of a diet as possible. With that said, you need to be OK with the fact that they will become dog food. They will be processed as humanely and as quickly as possible. Please text if interested because I don't answer the phone if I don't recognize the number Thank.
