Premium Collaboration for Exceptional Vaping.

The 1ML Packwood x Runtz Disposable Vape brings together two industry leaders for a truly standout vaping experience.

Crafted for users who appreciate quality, flavor, and convenience, this vape delivers smooth hits and bold terpene-rich flavor profiles every time.

With 1ml of premium distillate, it offers a strong, satisfying session that fits easily into your lifestyle.

Whether you're on-the-go or at home, this device provides the performance and potency you need.
