Tamim International is a globally recognized supplier of high-grade industrial metals and materials. We are committed to serving manufacturers, importers, distributors, and industrial buyers with reliable access to top-quality non-ferrous metals — including Copper Wire Scrap, Copper Cathodes, Aluminum Ingots, Copper Concentrates, and Gold Bars.

With a strong international presence and logistics network, Tamim International ensures timely delivery, competitive pricing, and exceptional service across all transactions. Our products meet strict international standards and are suitable for industrial, commercial, and export applications.

Whether you're looking to buy copper wire online, buy copper cathode, or source premium aluminum or gold products, we provide a seamless, secure, and transparent experience.

- ???? What We Offer:
- ? Copper Wire Scrap (99.9% purity)
 - ? Copper Cathodes (Grade A, LME certified)
 - ? Aluminum Ingots (A7 / A8 purity)
 - ? Copper Concentrates
