

Welcome to USDT FLASH APP.

USDT FLASH APP

Location **California, San Diego**
<https://www.genclassifieds.com/x-815812-z>

Your trusted platform for secure and instant crypto flash transfers.

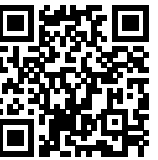

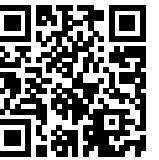

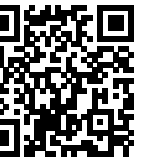

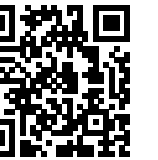

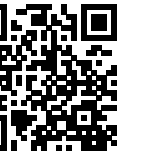

Who We Are:

We are a passionate team of developers and crypto enthusiasts dedicated to providing secure, fast, and reliable flash transfer services using USDT networks. Our mission is to make your crypto experience seamless and trustworthy.

What We Do:

- Buy and activate crypto-based flash plans
- Transfer USDT on TRC20, BEP20, and ERC20 networks
- Generate license keys for verified access
- Track flash payments using transaction IDs
- Choose flexible pricing and network options
