

Restylane Kysse Lidocaine (1 X 1ml)

Fit Pharma Supplements

Location **Washington, Seattle**
<https://www.genclassifieds.com/x-815855-z>

Restylane Kysse Lidocaine is a dermal filler used for lip enhancement. The product is designed to enhance lip volume and add definition to lip contours to create soft, natural looking lips. The hyaluronic acid based gel softly integrates into the sensitive lip tissue and has been proven to cause little swelling. Contains lidocaine, a powerful anesthetic, for a more comfortable injection.
