Gelato, also known as "Larry Bird" and "Gelato #42" is an evenly-balanced hybrid marijuana strain made from a crossing of Sunset Sherbet and Thin Mint Girl Scout Cookies. With its balance of indica & sativa, this strain produces a euphoric high accompanied by strong feelings of relaxation. Consumers who have smoked Gelato say the effects of the strain come on quickly. You'll be left feeling numb to pain, relaxed, but mentally stimulated and productive.
