The 7mm Beaker with Matrix Percolator Water Pipe is a solid choice for anyone lookin' to level up their smoke game.

## UNBEATABLE FILTRATION

This water pipe's matrix percolator is the real MVP – it breaks down the smoke into tiny bubbles that get filtered through the water, makin' every hit silky smooth and easy on the lungs.

## COLORS THAT FIT YOUR FLOW

Whether you're rockin' green, black, blue, or that fresh blue jade, we've got a color option that'll match your unique style. Our 7mm Beaker with Matrix Percolator Water Pipe comes in four fire colors that'll make you stand out.
