

# Best Siberian Kitten for Sale

Siberian Kittens

Location **Illinois, Chicago**  
<https://www.genclassifieds.com/x-816795-z>

All of our cats are fully health-tested, and we only consider fully health-tested breeding partners for our cats. Breeding only with health-tested parents is just one part of our breeding practices. Another important aspect involves careful planning to match breeding partners so that kittens can exhibit each parent's best qualities and minimize introducing undesirable traits, including health issues.
